## Work Experience

---

**University of Kentucky Campus Recreation** Lexington, Ky  
*Rock wall supervisor* Oct. 2022 – May 2024

- Provided front desk support and facility orientation for hundreds of students and staff members, creating a welcoming environment that saw an over 85% participant return rate.
- Helped organize and support campus-wide climbing events that drew 100+ participants and promoted student engagement.
- Performed routine checks on 30+ harnesses and belay devices to maintain compliance with safety standards.

**C&S Transportation** Lexington, Ky  
*Admin support* May 2025 – Jan. 2026

- Maintained delivery time logs by emailing and following up with staff from our 10+ carrier partners and 20+ delivery locations to improve accuracy of transportation records and supporting data-driven planning.
- Support day-to-day technology issues and create solutions to automate certain tasks to improve workplace efficacy.
- Obtain driver information daily from our carrier partners to ensure on-time pickup, delivery and quick resolution to delays of every shipment that led to an improved service rating based on customers' report cards.

**DashMart** Lexington, Ky  
*Operations associate* Sept. 2025 - Present

- Processed 100–150+ customer orders per shift through efficient picking, packing, and quality checks.
- Consistently led and met multiple company performances standards in inbound and outbound units processed based on daily leaderboard.
- Supported inventory management through daily cycle counts and fast restocking, reducing “items not found” instances.
